 Currently: 65% Highland
 35% Alpine

Officer Allocation:

1 Chief	2 Detectives
1 Lieutenant/ Patrol	2 School Resource Officer's
1 Detective Sergeant	12 Uniform Patrol Officers
3 Field Supervisors	

MESSAGE FROM THE CHIEF

Chief Brian J. Gwilliam

I am pleased to present the Lone Peak Police Department's 2019 Annual Report. I thank all of those who assisted with the preparation of the report and thank the members of the department for their dedication to our communities and their continued efforts to promote goodwill throughout. We recognize the need to continuously enhance services to ensure we meet or exceed expectations.

The year 2019 was an incredible year for our department. As the years go by we find ourselves increasingly busier responding to or initiating calls for service throughout our communities. We continue to improve our services through our School Resource Officers who have a presence in our elementary schools teaching the NOVA Program, as well as in our junior high schools and Lone Peak High School.

Some of this year's accomplishments include:

- Equipping and training officers with new Axon body cameras.
- Renewed efforts to be more present on social media to keep residents increasingly informed.
- Worked towards agency accreditation, improving policies and procedures as needed.
- We held a prescription drug takeback event which brought in over 500 lbs. of discarded medications.
- During 2019, we were able to get officers trained as instructors under the Rape Aggression Defense (R.A.D.) Program. This is a basic physical defense program for women and is offered to help protect the residents of our community.

We look forward to the future as we move to enhance our community involvement and continue to make this a great place to live, play and work.

Sincerely,

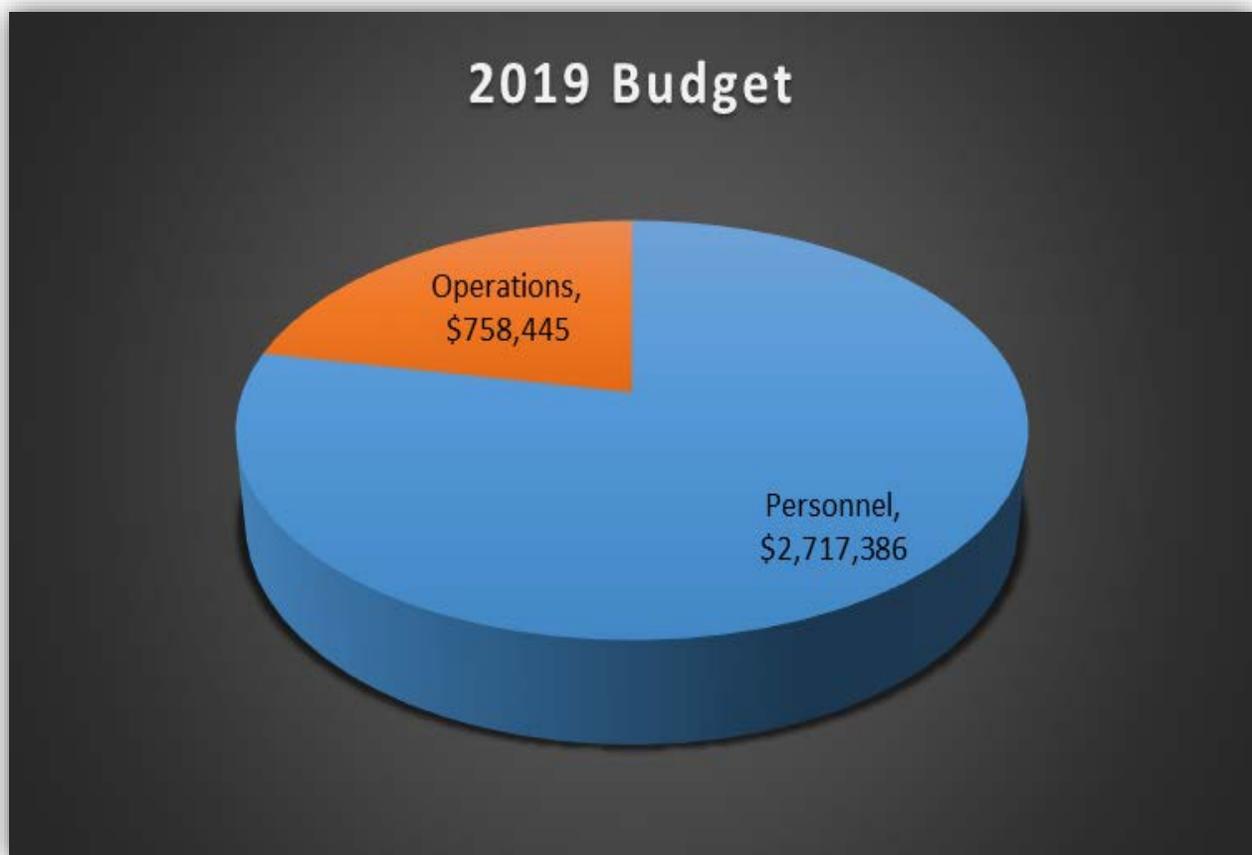

Chief Brian J. Gwilliam

LONE PEAK POLICE DEPARTMENT

Fiscal Year 2019 Budget

Personnel \$2,717,386	Operations \$758,445	TOTAL BUDGET \$3,475,831

Violent Crime includes homicide, rape, robbery and aggravated assault.
 Property Crime includes burglary, larceny and motor vehicle theft.

2019 Part I Crimes in Alpine & Highland

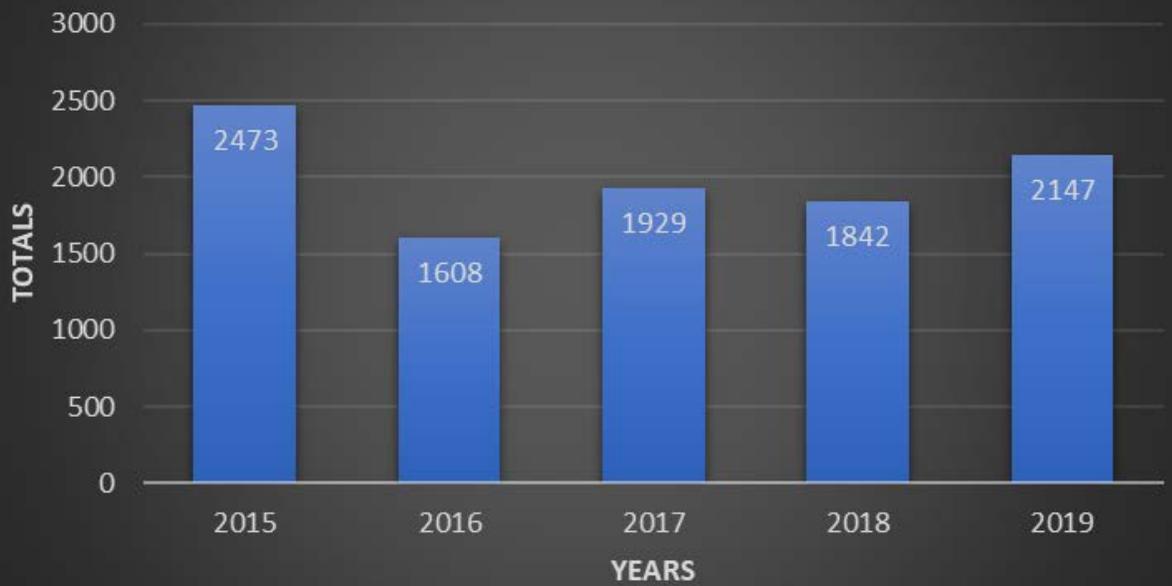

2019 Part II Crimes in Alpine & Highland

2019 Total Traffic Citations

MOTOR TRAFFIC UNIT

THE MOTOR TRAFFIC UNIT'S MISSION IS TO MAINTAIN THE NORMAL AND SAFE FLOW OF VEHICLE AND PEDESTRIAN TRAFFIC THROUGHOUT THE CITIES OF ALPINE AND HIGHLAND. THE TRAFFIC UNIT USES SEVERAL MEANS TO CONDUCT THEIR MISSION, INCLUDING THE USE OF SPEED DETECTION DEVICES, AND VEHICLE AND MOTORCYCLE PATROLS.

IN ADDITION TO REGULAR TRAFFIC PATROL, THE UNIT ALSO PERFORMS THE FOLLOWING IMPORTANT SAFETY DUTIES:

- DISTRACTED DRIVING ENFORCEMENT
- SCHOOL ZONES
- TRAFFIC ACCIDENT INVESTIGATIONS
- PARTICIPATION AT COMMUNITY EVENTS SUCH AS PARADES, CHARITY RIDES, ETC.

SCHOOL RESOURCE OFFICERS (SROs)

SROs are sworn law enforcement officers responsible for safety and crime prevention in schools. These officers work closely with school administrators in an effort to create a safer environment.

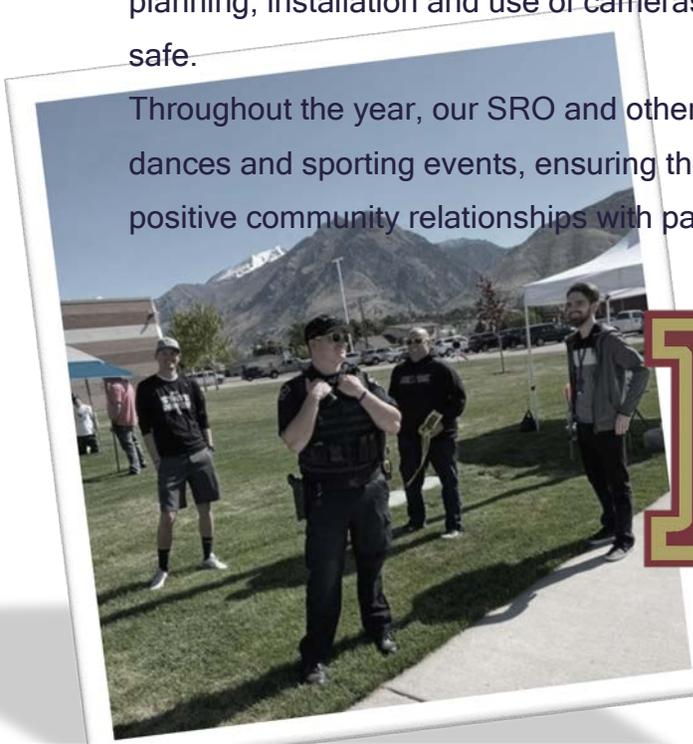

There are two SROs that work within schools in our area to ensure safety and prevent crime in our schools.

In 2019, Officers with the Lone Peak Police Department and the SRO were vital in helping to coordinate a multi-jurisdictional response to a reported threat at Lone Peak High School.

The SRO and other officers participated in bringing to fruition the first ever Knight of Hope. This event was a great opportunity for officers to interact with residents, providing them with resources to better assist loved ones and youth that are struggling with depression, mental illness, or other issues.

Our SRO played a vital role in assisting the Lone Peak High School Administration with the planning, installation and use of cameras which play an important role in keeping our youth safe.

Throughout the year, our SRO and other officers attended multiple Lone Peak High School dances and sporting events, ensuring the safety of participants and spectators while building positive community relationships with parents, faculty and students.

NOVA PROGRAM

Currently, the Lone Peak Police Department covers 5 elementary schools to teach the NOVA program. The elementary schools we teach NOVA in are:

- Westfield Elementary
- Alpine Elementary
- Ridgeline Elementary
- Highland Elementary
- Freedom Elementary

The NOVA Program helps students learn the police are there to help them with any trial they may be facing. There are several subjects taught such as abstaining from drugs, alcohol, and inhalants, bullying, social media, video games, and anger management. Several projects and activities are completed as well to help support what is being taught.

Awards are given to students who complete projects and challenges. One beneficial part of the program is it teaches the kids to be responsible and will also hold them accountable for their choices during class.

AGENCY ACCREDITATION

Utah Chiefs Accreditation Alliance

In October of 2019, the Lone Peak Police Department applied for and was accepted into the Utah Chiefs of Police Accreditation (UCOPA) Program. After a rigorous standardization process, on January 20th 2020, The Lone Peak Police Department was awarded the honor of Accreditation from the Utah Chiefs of Police Association. The process of Accreditation begins with a rigorous self-assessment, requiring a review of policies, practices and processes against internationally accepted public safety standards. This is followed with an assessment by independent assessors with significant public safety experience and leadership. The decision to accredit is rendered by a governing body of ten board members following a hearing and review of all reporting documentation. Although the award symbolizes a significant professional accomplishment, it is also a demarcation for the agency to remain in compliance with UCOPA standards by remitting annual status reports to document its progression of continuous organizational improvement.

The Lone Peak Police Department is proud to demonstrate our commitment to our communities and professional excellence through accreditation, and continued accreditation in the future.

K-9 STATS

Taking a Bite Out of Crime

The Lone Peak Police Department K-9 Unit is made up of our patrol dog named Arko and his handler, Sergeant Travis Bellon.

They respond to routine calls for service as well as formal requests for deployments.

In 2019 these requests came from not only our fellow LPPD Officers but also from our local partners as well. Arko was routinely used for deployments related to drug detection, tracking suspects, etc.

The team consistently train on a weekly basis.

Arko loves to be a part of the community and has been a part of school presentations, classes and assemblies for schools in the Alpine School District.

Our K-9 Unit participated in the K-9 Trials in Las Vegas, Nevada.

The LPPD appreciates the continued support from our communities.

Our patrol dog, Arko loves to work and looks forward to the challenges ahead in 2020.

BODYCAM INITIATIVE

Initialized in the Summer of 2015, the Cities of Highland/Alpine worked to bring body cameras to the Lone Peak Police Department. The officers were assigned their own body camera and learned how to utilize the equipment.

The Lone Peak Police Department currently has a 5-year contract with Axon. The initiative includes 24 cameras, charging stations, mounts and storage. The cameras cost \$106,000.

The cameras record all officer's interactions with the public. All video is stored on a secure cloud-based evidence storage system.
